

BCM COMMUNITY

This year, through the ebbs and flows of online and in-person programming, we have had the gift of an amazing community of students who call Brock Campus Ministry home. From our weekly Bible studies, to discussion groups, hikes, meals, and everything in between, we are so grateful to have this growing community of Jesus-seeking students who call BCM a home away from home.

COMMUNITY HIKES

The Faith and Life Center is located on the beautiful Bruce Trail. We host a weekly community hike in the surrounding areas of the Faith and Life Centre. Whether we have 5 students or 25 students joining us, they are always wonderful opportunities to meet new students, hear their stories, and invite individuals into our community of faith at Brock.

WORSHIP NIGHTS

This semester, student leader Nikki Mutuma, lead the broader Christian community at Brock in a series of worship nights. These were beautiful evenings of in-person worship at the Faith and Life Centre. Students from all of the Christian clubs and Chaplaincies participated collectively, and students offered personal reflections of their faith and experience at Brock. We were grateful to be able to create a space on campus for students who have always considered themselves Christian, and for those who have never stepped foot in a Church.

Exam Care-Packages for Students: Filled with hand-written notes, home-made cookies, and more!

EXAM CARE PACKAGES

Exam time is a stressful, overwhelming, and exhausting time for students. Anxiety is at an all-time high and students begin to feel the crunch of the end of the year. This year we were grateful to be able to hand-out 50 care-packages to students as they began their studying. The packages included snacks, a mug, a hand-written note and homemade cookies (thank you to those who provided)! It was a joy to see the smiles on students faces as they were reminded of the support and prayer of the churches in Classis Niagara as they began their exams this year.

YEAR-END DINNER

As our semester came to a close, so too did our Campus Ministry weekly gatherings. As a year-end celebration, we had an in-person community meal - the first one this year! It was an amazing time of reflecting on what God has done in our lives and hearts this year, while eating some delicious food together. We excitedly anticipate the possibility of hosting more meals and Toonie Suppers again in the Fall semester!

Thank you for all of your continual prayer and support for Brock Campus Ministry this year.
